Dear Mr Crabtree

Summencross Public House, Otley

I am writing to raise my own concerns regarding the levels of inactivity on the site of the Summencross Public House in Otley.

The old Summencross building will soon have been unoccupied for a year and it appears that Chartford Homes have no intention of taking further action to develop the site in the near future. I would like to ask what measures Leeds City Council plans to implement to prevent Chartford Homes inaction leading to the building falling into a further state of disrepair.

Indeed I would appreciate if you could confirm whether Chartford have even submitted new plans regarding the development.

Thank you for your attention on this matter and I look forward to hearing from you soon.

Yours sincerely
